

CURRICULUM VITAE

(January 2019)

Aradhna Aggarwal

Department of International Economics, Government and Business,
Copenhagen Business School, Denmark.

Tel: +4538153374

E-mail: aa.egb@cbs.dk

Aradhna Aggarwal, a PhD from Delhi School of Economics, New Delhi has over three decades of experience in University teaching and research. Aradhna is keenly interested in industry, technology, technology transfers, international business, international trade and SEZ related issues and has published extensively in leading international and national journals, and newspapers on these issues. She taught Economics at the University of Delhi from August 1982 to January, 2014. During this period she also had an opportunity to serve at various prestigious think tanks including the Institute of Economic Growth (IEG), ICRIER, and NCAER on a full time basis. She worked as an external consultant to prestigious international agencies like UNESCAP, ADB, UNDP, World Bank, GIZ, UNCTAD, UNIDO, Swedish Board of Trade; and the Ministries of Commerce, Finance, and Information Technology (Government of India). She has served as a visiting fellow and visiting professor at various organisations and universities.
